

WOLVERINE

LACROSSE SPORTS WHEELCHAIR

The Melrose Wolverine comes standard in lightweight aluminium, but can also be built in titanium for a super light super responsive frame.

Completely custom built to the athletes specifications for their body size, physical ability and position they play, all our sports

wheelchairs are built by highly experienced fabricators using the highest quality materials and components to maximize their chance of becoming a Lacrosse Super Hero.

Become an "X-Man" in a Melrose Wolverine.
